Summer Music Clinic

University of Wisconsin-Madison

5538 Humanities

455 N. Park St.

Madison, WI 53706

Telephone: 608- 263-2242

Summer band camp is a fun and excellent way to keep up and even improve your skills over the summer. Ask anyone who has gone before and they will tell you they want to go again. You get to play great music with other students your age who love to play their instrument as much as you do. You get to study with top-notch teachers who have time to focus on **you**. And there are fun social activities as well. Many camps are held on University campuses and you get a peek at what college life is like. They all finish up with a great concert for parents and the community.

When you decide which one is right for you, fill out the application and show it to us (with parent signatures). We will copy it and submit the copy to the Boosters for scholarship funding. *You should send in the original with your deposit to reserve your place. Some camps have a deposit deadline of May 1.*

Every applicant will qualify for scholarship help. The amount will depend on the number of students from **IJ** who choose to go to camp. In past years we have been able to provide \$100 scholarships and up. All applications must be turned in by **April 24** to qualify for scholarship funds. Scholarships will be made out to the specific camp and given to the student's family to send in with the balance of the camp fee.

Students are not limited to the camps listed above. This is just a list of the camps that send information and/or are most often attended by Plainfield band students.

Thank you for your time and attention to your student's musical development  
The Plainfield Music Staff
