Supporting 5<sup>th</sup> thru 8<sup>th</sup> grade band students

## Support your child's future in band, JOIN Band Boosters!

### *Who we are and what we do...*

The Plainfield Middle School Band Boosters is comprised solely of the parents of band students and the Elementary and Middle School Band Directors. Our aim is to be involved in the support and encouragement of the total music program, in particular the band program, of the District. We desire to see the program grow and develop so students in the district may enjoy quality instruction and extracurricular experiences which will contribute to a responsible and mature person, both intellectually and socially.

*The main objectives of the Plainfield Middle School Band Boosters are:*

- A. Provide financial support for the programs and unique projects which promote the Elementary and Middle School band program, *but are outside the domain and purpose of the school district revenue.*
- B. Encourage the growth and development of a quality band program which complements and extends the educational options for young people.
- C. Develop and implement creative avenues to encourage young people to excel through the band program both collectively and individually.
- D. Work collaboratively with the District Administration, school officials, band directors, and other Plainfield Band Booster organizations, in the pursuit of these objectives.

*Here are some of the ways membership fees and fundraising dollars are used to support the band program:*

Music	Instruments	Banners	Performance uniforms
IMEA & IGSMC competitions		Bus fees for events	Repair of instruments
